FoSTaC: FOOD SAFETY TRAINING AND CERTIFICATION

Let's ensure safe food everywhere

- Each Food Business Operator needs to have at least one trained & certified person in their business premises to ensure food safety. Regulation to make it mandatory expected soon.
- FSSAI brings an easy solution of Training & Certification through its new initiative of Food Safety Training & Certification Portal (FoSTaC) portal [in compliance to Section 16 of FSSAct]
- FoSTaC offers nine different types of courses meant for different types of food businesses on different competency level.

4 easy steps to Food Safety Certification

Online Registration

Training to be provided by Training Partner

Assessment by FSSAI accredited Assessment Agency

Certification validated by FSSAI

If you want to learn food safety for your business or for your home kitchen... Log on to website www.fssai.gov.in. For further details contact.
Learn & Ensure
